Brother, In a world of stress, conflict and endless suffering you need a brotherhood to protect your blindsides. Marked Men For Christ Phase 1 Experiences build the battle buddies you need.

I consider you a man that I would call if in need. I want to be the same for you and work together to grow that brotherhood.

In 44 hours you, will...

- ...Find a safe place from the world
- ...Discover strength in the midst of the chaos
- ...Build a stronger group around yourself.

You're important to me and that is why I am sharing this with you. Join me on **December 6-8** at <u>Camp Homelani</u>. For full details go to https://www.markedmenforchrist.org/event-details/?eid=80f62f4f-ef5f-ef11-bfe2-000d3a10cce3
